Medical Report: big problem sir

Patient Information

Name: ahmet kalumian

Birth Date: 2025-10-28

Case ID: #5

Clinical Details

Doctor: Dr. kalumian

Date: 2026-01-31

Description: It's one of the most dangerous things. It will attack your heart, and there's no way to escape. It can destroy you, it can defeat you. You may think it's an overreaction, but believe me— one day you'll be there, and then you'll remember me. I hope that, at that time, you'll be okay and that you'll fight for what's right.
